

# Whatever It Takes

## Imagine Dragons

Falling too fast to prepare for this  
Tripping in the world could be dangerous  
Everybody circling is vulturous  
Negative, Nepotist Everybody waiting for the fall of man  
Everybody praying for the end of times  
Everybody hoping they could be the one  
I was born to run, I was born for this Whip, whip  
Run me like a race horse  
Hold me like a rip cord  
Break me down and build me up  
I wanna be the slip, slip  
Word upon your lip, lip  
Letter that you rip, rip  
Break me down and build me up  
Whatever it takes  
Cause I love the adrenaline in my veins  
I do whatever it takes  
Cause I love how it feels when I break the chains  
Whatever it takes  
Ya take me to the top, I'm ready for  
Whatever it takes  
Cause I love the adrenaline in my veins  
I do what it takes Always had a fear of being typical  
Looking at my body feeling miserable  
Always hanging on to the visual  
I wanna be invisible Looking at my years like a martyrdom  
Everybody needs to be a part of 'em  
Never be enough from the particle sum  
I was born to run, I was born for this  
Whip, whip  
Run me like a race horse  
Hold me like a rip cord  
Break me down and build me up  
I wanna be the slip, slip  
Word upon your lip, lip  
Letter that you rip, rip  
Break me down and build me up Whatever it takes  
Cause I love the adrenaline in my veins  
I do whatever it takes  
Cause I love how it feels when I break the chains  
Whatever it takes  
Ya take me to the top, I'm ready for

Whatever it takes  
Cause I love the adrenaline in my veins  
I do what it takes Hypocritical, egotistical  
Don't wanna be the parenthetical  
Hypothetical, working onto something that I'm proud of  
Out of the box an epoxy to the world and the vision we've lost  
I'm an apostrophe, I'm just a symbol to reminds you that there's more to see  
I'm just a product of the system, a catastrophe  
And yet a masterpiece, and yet I'm half diseased  
And when I am deceased  
At least I go down to the grave and I happily  
Leave the body of my soul to be a part of me  
I do what it takes Whatever it takes  
Cause I love the adrenaline in my veins  
I do whatever it takes  
Cause I love how it feels when I break the chains  
Whatever it takes  
Ya take me to the top, I'm ready for  
Whatever it takes  
Cause I love the adrenaline in my veins  
I do what it takes
